

CONTERRA CUSTOMER REFERRAL PROGRAM

Become a partner for Conterra and earn commission for completed referrals

How to earn thousands of dollars It's easy when you refer new business to our Conterra sales team. Simply call us at 1-877-365-6701 and provide your Agent ID number, and the name and address of the business being referred. We'll handle the rest. If a sale was made, we'll compensate you by check within 30 days of the sale completion.

How the payout works As a partner, you receive 5% of the total value of the contract (monthly recurring charges minus taxes and fees). For example, if you refer \$2,000 of new revenue sales on a 2-year contract, the total value of the contract is \$48,000. The payout would be 5% of \$48,000, or \$2,400.
